The Archives of the Medallic Art Company contain many attractive stock designs for your use.

Finished medals can be made in a wide variety of sizes and finishes.

Personalize any design on one or both sides with our deeply routed engraving that makes a stock medal look like a custom made award.

We can also incorporate any stock design into a new customized die for your exclusive use; see the examples on the other side of this sheet.

Our Recognition Consultants and Design Department will be happy to work with you to meet your individual requirements.
